**Appendix D**

**List of Aviewrages--Region Summary,  
State of Oklahoma, Grade 5 (1993)**

## GRADE 5

**NOTE:** Appendix D of this report offers district level test results. Deleted from these reports were scores from school districts in which five or fewer students were tested at any given grade level. This was done to protect the privacy of individual students in those school districts.

## **Appendix E**

**List of Averages--Region Summary,  
State of Oklahoma, Grade 7 (1993)**

## GRADE 7

**NOTE:** Appendix E of this report offers district level test results. Deleted from these reports were scores from school districts in which five or fewer students were tested at any given grade level. This was done to protect the privacy of individual students in those school districts.
